

Topic for this term is All about me

This term, we will be learning **all about Ourselves**. We will be focusing on 'This is Me' as our main text and using this to inspire our learning. We will explore our similarities, differences and celebrate what makes us special. In English, the children will be engaging in our class shared text focusing on understanding and relating the text to ourselves and our special people. We will explore the topic with a focus on understanding ourselves physically and emotionally. The children will engage in information texts to learn about our senses and body parts, along with our emotions.

The children will continue with the Read Write Inc. phonics scheme.

In Maths, the children will focus on counting, number bonds, addition and subtraction and will continue to explore repeating patterns, sorting and matching.

We hope you have had a restful
Summer break.

Mrs Elliott and the Provision Team.

Our class shared text

How can you help at home?

Below are some texts that you can share with your child at home linked to our topic:

You can support your child by talking about what makes them unique. Celebrate their special qualities and those of other family members. Look at the physical similarities and differences within your family.
