

Topic for this term – A world of stories

This term, we are learning about the world around us. We will be taking the children on a journey through the woods in different stories - I wonder who we might see? Will we meet the Big Bad Wolf or The Three Bears on their morning walk? Or will we meet the famous Brown Mouse or The Gruffalo? The children will also be learning about the world around them and celebrating a range of festivals that are of significance to them or their peers. There is so much to celebrate! We will be learning about the differences between ourselves and our peers and our community while exploring cultures and traditions. We will be encouraging the children to participate in world food tasting sessions

In Maths, we will be extending the children's knowledge of numbers that have meaning to them such as: age, door numbers and bus numbers. Additionally, we will be supporting the children to count in sequence to 10. We also will be beginning to count objects and match one object to one number, focusing on representing numbers 1-5.

In English, we will be delving into a range of stories and extending our vocabulary. We will be exploring the different emotions within our key stories and the adventures that occur. Next, we will be creating our own versions of the stories using our imaginations.

How can you help at home?

At Burnt Ash, we are passionate about stories, and we want to support your child to develop a love for books through our weekly reading scheme. If you would like your child to take part, all you need to do is be committed to read with your child frequently and to return your book bag every Thursday. Children will then be able to self-select a story to bring home. We would be delighted if you would come in and share your favourite childhood story with the nursery children.

- Please continue to login to the ILD regularly to see all your child's fabulous learning at Nursery and read our weekly news updates. Remember you can share home moments on the ILD through the observation tool. We love seeing these and celebrating with the children. We also have weekly time to talk circle times where children are able to share their photos.
- Please remember to provide your child with a **named** water bottle each day and that it is essential that all of your child's uniform is labelled, especially their jumper and/or cardigan.
- Gentle Reminder: Family photos are now proudly displayed in our home corner, if you haven't yet sent in your family photo can you please do so.
