

## Topic for this term – This is my Story

This term our topic will give us the chance to learn more about the children and what makes them all special. We will be asking the children to think about what they look like and to share their likes and dislikes and celebrate what makes us unique.

During the topic, we will explore families, cultures and traditions. It would be fantastic if you could provide a family photo for your child to share with the class. Alternatively, you can email a photo to us at

[nurseryadmissions@burntashprimary.co.uk](mailto:nurseryadmissions@burntashprimary.co.uk)

Please can you bring/send the photo in by **Monday 28<sup>th</sup> September**. If your child understands or speaks other languages, we would love for you to help us develop our cultural awareness at Nursery by having key words such as 'hello', 'please' and 'thank you' in your home language. We can display them around the Nursery classroom and encourage the children to learn about different languages.

## How can you help at home?

Please support your child in developing a love for stories by sharing a book, looking at the pictures and talking about the different characters. At Nursery we will be focusing on stories that talk about feelings and differences. We recommend purchasing a school book bag as we will have a weekly 'lending library' at Nursery where the children are able to select a story to take home and share with you. In order to participate in this scheme your child will need to bring a book bag to nursery.

At home you could encourage your child to put on their own coat, this is the method we will be teaching the children at nursery.

**Do you need to buy school uniform?** If you'd like to purchase uniform, please speak to a member of the Nursery team for an order form!

Please can you send your child to nursery with a spare change of clothes, this will need to stay in school. Please ensure all your child's uniform and belongings are labelled including their own **named** water bottle thank you.
